1. WHAT IS SOM ENERGIA?

A huge cooperative: +85.000 members!

Active members, not only consumers

100% renewable energy

Self production communities & local groups

Distribuited throught Catalonia and Spain

The largest catalan cooperative using Dedicim!

2. THE STARTING POINT

1.LOCAL GROUPS

Social base organised into local grous.

Uses some digital tools

2.ASSEMBLIES

Sharing agenda items

The act of voting

3.OTHER USES

Anecdotal, unstructured uses

THE STARTING POINT

How to organise participation for 85,000 people?

3 focus grous:

- → non-organised members
- → organised members
- → cooperative's technical team

1.BRING ORDER

Clear structure

Less clicks!

2. PARTICIPATE ON MY WAY

Allow more space for free participation.

Only reorder if necessary

3. LET'S GET IN ORDER

Simplicity!

CHALLENGE 1 – Bypassing Decidim

CHALLENGE 2 – 2 kind of participation

CHALLENGE 3 – Bring the old to the new

LET'S GET IN ORDER

Simplify the navigation scheme.
